Professor of Ohio State University Addresses State Association of Optometrists.

Scientific lectures by Dr. Charles Sheard, Ph. D., professor of applied optics in Ohio State University are featuring the ninth annual convention of the West Virginia State Association of Optometrists, which is in progress in the assembly hall of the Waldo hotel. It opened Monday morning and will continue until Wednesday.

Dr. Sheard gave lectures at the morning and the afternoon sessions Monday. In the morning he spoke upon "Some Applications of Theoretical to Visual Optics" and in the afternoon he spoke upon "Static and Dynamic Optics." He is to deliver another lecture at 8 o'clock tonight in the assembly hall, which all members of the medical profession are cordially invited to attend, this session having been especially arranged for them. Dr. Sheard will speak on "The Ophthalmoscope, Its Usage and Its Revelations of Normal and Abnormal Conditions."

A. B. Scott, of Fairmont, president of the association, called it to order Monday morning and briefly reviewed the progress of the profession in the state during the last year. Charles C. Wilson, of Salem, submitted his annual report, which was adopted, and which showed that the association has 110 members in good standing.

The annual report of John Lewis Beard, of Charleston, state prosecutor, was adopted. Owing to the serious illness of his wife, Dr. Beard is unable to attend this convention, much to the regret of the members.

E. F. Collins, of Charleston, secretary of the state examining board of optometrists, was scheduled for a talk at Monday's afternoon session on state conditions affecting the profession, but he was late in arriving in the city and his talk was set further along on the program. He is expected to be here for the convention. J. H. Zilliken, of Wellsburg, and F. P. Small, of Martinsburg, are two members of the state examining board who are attending the convention. Lectures are to be delivered at Tuesday's morning and afternoon sessions by Dr. Sheard. The association will elect officers for the ensuing year at Tuesday afternoon's session.

About thirty members of the association were here for the first two sessions.

WAITE JURY

Is Very Easily Selected Only Three Hours Being Required for the Task.

(BY ASSOCIATED PRESS) NEW YORK, May 23.—The task of selecting a jury to try Dr. Arthur Warren Waite for the murder of his father-in-law, John E. Peck, millionaire drug manufacturer of Grand Rapids, Mich., was completed shortly before 1:30 o'clock Monday.

The twelfth juror was in the box three hours after the first juror was examined. Seldom has a trial of the kind moved so rapidly.

Only fifty-six of the special panel of 500 summonses were examined before the jury was completed. Ten of the jurors are married and two are single men.

Justice Shearn announced that they would not be kept in custody but would be allowed to go to their homes.

ALL METHODISM

May Become United Two Years Sooner as Result of Conference Action.

(BY ASSOCIATED PRESS) SARATOGA SPRINGS, N. Y., May 23.—The possibility of the union of all Methodism was brought two years nearer Monday by action of the general conference which unanimously adopted a resolution providing for adjournment to a date to be fixed by the board of bishops. This will permit a meeting of the conference in 1918 at the same time the conference of the Southern church is considering a joint proposal designed to effect the unity of these and other branches of the Methodist church.

The first ballot for missionary bishops for Africa, one of whom is to be of African descent for supervision of Liberia, resulted in no choice for either bishop. For the territory outside of Liberia the leaders were Eben H. Johnson, Sioux City, Ia., 297; James E. Crowther, New York, 216.

For missionary bishop to Liberia Alexander B. Camphor, of Birmingham, Ala., lacked seventy-two votes. Practically all of the other candidates withdrew and his election apparently was assured on the first ballot.

HURRAH! RINGLING DAY ALMOST HERE

Big Circus and Great Spectacle Occupy Five Trains Crammed with Wonders.

The big event which the youngsters and grownups have been impatiently waiting is drawing near, for on Wednesday, May 24, Ringling Brothers' circus is to exhibit afternoon and night in Fairmont. Expectancy never ran so high before and it is likely that this district will send a large delegation to feed the elephants. Unusual interest centers around the gigantic spectacle, "Cinderella," with which the famous showmen are this season opening their wonderful main tent program. "Cinderella" is probably the best loved of all fairy tales and to see it produced with more than 1,000 persons, hundreds of dancing girls and glorious pageants, indeed gives promise of making "childhood's golden dream" come true. In the same great tent will come the marvelous circus numbers in which 400 men and women performers, scores of trained animals and a galaxy of special features are introduced. The majority of the acts are entirely new to America, the Ringling brothers having secured the pick of those European performers who have been obliged to seek engagements in this country because of the war. The all-new street parade will take place show day morning.
